

CLOSING DATE
19 November 2019

FINANCIAL PLANNING AND ANALYSIS MANAGER

SUMMARY

The Financial Planning & Analysis Manager will lead the team focused on delivering financial analysis, modelling and reporting across the business.

JOB ROLE

The roleholder will be responsible for delivering the groups Financial Performance Management and the Budget, Forecast and Strategy Processes along with reporting systems and continuous improvement.

REQUIREMENTS

You will hold a recognized accounting qualification (ACA, CIMA, ACCA) together with professional membership of the relevant body. You will be able to effectively manage relationships and interactions with stakeholders to ensure their needs are being met. In addition, you must have considerable experience in the preparation, analysis and reporting of accurate financial information supported by Advanced Excel modelling skills and the ability to work with bespoke reporting systems. You will be confident in translating key message from data into a format suitable for senior management. Demonstrable team management experience is essential, together with the ability to communicate effectively and build good working relationships. Confidence to challenge is also critical to be successful in this role.

▶ TO APPLY

In addition to a competitive salary we also provide a range of attractive benefits, including company pension and healthcare schemes. If you believe you have the drive and potential required to join our team, please email your CV to: HR@victrex.com. (No Agencies)

ABOUT VICTREX

Victrex is an innovative world leader in high-performance polymer solutions, focussed on the strategic markets of automotive, aerospace, energy (including manufacturing & engineering), electronics and medical. Every day, millions of people use products and applications, which contain our materials – from smartphones, aeroplanes and cars to oil and gas operations and medical devices. With over 35 years' experience, we develop world leading solutions in PEEK- and PAEK-based polymers and selected semi-finished and finished parts which shape future performance for our customers and our markets, and drive value for our shareholders.
